

## 27<sup>th</sup> Colloquium on Pensions and Retirement Research

# CALL FOR PAPERS

The 27<sup>th</sup> **Colloquium on Pensions and Retirement Research** will be held this year on **2-3 December 2019** at Colombo House Theatres, UNSW Sydney.

The Colloquium, co-hosted by [CEPAR](#) and the [School of Risk & Actuarial Studies, UNSW Business School](#), is a unique annual event, bringing together academics, government and industry to discuss the latest research on pensions, superannuation and retirement.

The theme for 2019 is **'New Developments in Pensions and Retirement'**.

In the interest of highlighting the theme we specifically invite submissions on the following topics:

- Retirement benefits, demand and design
- Regulation and performance of superannuation and pension funds
- Member engagement
- Choice architecture and defaults
- Health and aged care costs
- Housing and retirement, including reverse mortgages

Contributions are also welcome on other topics, which may include but are not limited to:

Public pensions; sustainable fiscal policy; taxation of pensions; inequality and pensions; financial product disclosure; financial literacy, financial education and financial advice; fintech solutions; cognition and financial decisions of the elderly; investment strategies for superannuation and pensions; retirement planning; demographic trends; retirement saving adequacy; the labour market for older workers; longevity and healthy life expectancy; gender issues in pensions and retirement.

International contributions are welcome.

Early career researchers, especially PhD students, are particularly encouraged to submit. A cash prize will be awarded for the 'Best Paper by a PhD Student'.

**Expressions of interest** to be included on the program of the 27<sup>th</sup> Colloquium on Pensions and Retirement Research (in the form of an extended abstract or complete paper) should be emailed to [cepar@unsw.edu.au](mailto:cepar@unsw.edu.au). The deadline for submission is **2 August 2019**.

If you would like to discuss a possible presentation, please contact Professor Hazel Bateman on [h.bateman@unsw.edu.au](mailto:h.bateman@unsw.edu.au).
