

4th Annual Workshop on Population Ageing and the Chinese Economy

<http://cepar.edu.au/news-events/events/4th-annual-workshop-population-ageing-and-chinese-economy>

International Conference on 'Addressing Population Aging: Institutional and Public Policy Innovation'

Date: June 27-28, 2018

Venue: ShanghaiTech University, 393 Huaxia Middle Road, Pudong, Shanghai, P.R. China

The Australia-China Population Ageing Hub, in collaboration with the School of Entrepreneurship and Management, ShanghaiTech University and the Employment and Social Security Research Center, Fudan University, is hosting its 4th Annual Workshop on Population Ageing and the Chinese Economy in June 2018. The conference will discuss institutional and policy innovations to address population aging, including social security policies, labour market policies and wealth management, among others, with the aim of strengthening academic and policy links. The conference will be held at ShanghaiTech, marking the first time that this event will be held in China.
